TITLE OF THE PROJECT

Mini-Project Report submitted to the SASTRA Deemed to be University
in partial fulfillment of the requirements
for the award of the degree of

B. Tech. [Branch Name here]

Bonafide Certificate

This is to certify that the project titled "**Project Title**" submitted in partial fulfillment of the requirements for the award of the degree of B. Tech. [Branch Name] to the SASTRA Deemed to be University, is a bona-fide record of the work done by [Student Names with Reg. No] during the [Sixth] semester of the academic year [Year], in the School of Computing, under my supervision. This report has not formed the basis for the award of any degree, diploma, associateship, fellowship or other similar title to any candidate of any University.

Declaration

We declare that the report titled "**Project Title**" submitted by us is an original work done by us under the guidance of [Name of the Guide], [Designation], School of Computing, SASTRA Deemed to be University during the [Sixth] semester of the academic year [202X-2X], in the School of Computing. The work is original and wherever we have used materials from other sources, we have given due credit and cited them in the text of the report. This report has not formed the basis for the award of any degree, diploma, associateship, fellowship or other similar title to any candidate of any University.

ACKNOWLEDGEMENTS

We express our gratitude to the Honourable Chancellor, **Prof. R. Sethuraman**, and our beloved Vice-Chancellor, **Dr. S. Vaidhyasubramaniam**, SASTRA Deemed to be University, for the opportunity of pursuing our engineering studies in this esteemed institution and undertaking the project work.

We thank **Dr. S. Swaminathan**, Dean - Planning & Development, and **Dr. R. Chandramouli**, Registrar, SASTRA Deemed to be University, for granting permission and extending facilities to carry out this project.

We express our sincere thanks and gratitude to the Dean, School of Computing, SASTRA Deemed to be University, for their support in the accomplishment of this work.

We would like to thank our guide, **[Guide Name and Designation]**, for their guidance and support, which ultimately led to the success of this project.

And finally, we would like to acknowledge the appreciation and support that our parents and friends provided.

ABSTRACT

[Insert your Abstract paragraph here. Clearly describe the problem domain, project objective, approach used and key results obtained.]

Specific Contribution

- Highlight major specific contribution 1
- Highlight major specific contribution 2

Specific Learning

- Highlight what you learned from this project

CHAPTER 1

INTRODUCTION

1.1 Overview

[Provide an overview of your mini-project here. For example, a reference to a recent closed-loop controller Rajesh *et al.* (2024).]

1.2 Problem Statement

[Clearly state the problem you are addressing based on industry needs Liu *et al.* (2019).]

1.3 Objectives

[List the main objectives of your project.]

- Objective 1
- Objective 2
- Objective 3

1.4 Report Organization

[Outline the organization of the subsequent chapters in this report.]
